Cookbook Order Form

An ongoing WUMWomen project has been "ongoing" for 50 years!

In the 1950's we published our first cookbook. Our current cookbook, "Everything From Soup to Sushi", is the third complete revision and contains over 600 of our congregation's most favorite recipes, including many Japanese and other Asian food recipes, with special emphasis on Japanese New Year's food. Cookbook orders come from all over the U.S. and Asia and Europe, and proceeds from its sales support our missions and social concerns program.
